

**NOTICE OF INTENT (NOI) FOR PERMIT RENEWAL
FOR A KANSAS WATER POLLUTION CONTROL GENERAL PERMIT
READY-MIX CONCRETE PLANTS, CONCRETE PRODUCTS PLANTS AND ASSOCIATED FACILITIES**

Submission of this Notice of Intent constitutes notice that the party identified in Section I of this form requests re-authorization for coverage under a Kansas Water Pollution Control general permit issued for the above named facilities in the State of Kansas. **Completion of this NOI does not provide automatic coverage under the general permit.** The permittee will receive a properly signed and dated general permit from the Kansas Department of Health and Environment (KDHE) authorizing the storage/discharge of wastewater/stormwater. A separate NOI is required for each noncontiguous site (temporary or permanent).

VI. APPLICANT CERTIFICATION

I certify that I have read and understand the requirements and conditions of the NPDES general permit for ready-mix concrete plants, concrete products plants and their associated facilities (available on the KDHE web page at <http://www.kdheks.gov/water/tech.html> or via hardcopy by contacting KDHE at 785.296.5506 or by FAX at 785.296.0086). I understand that continued coverage under the NPDES general permit for these discharges is contingent upon maintaining eligibility as provided for in the requirements and conditions of the general permit.

Furthermore, I certify under penalty of law that based upon an inquiry of the person or persons who manage the facility named herein, or those persons directly responsible for gathering the information provided herein, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations. I certify that I am authorized to sign this Notice of Intent for the applicant named herein.
