Relax, Rejuvenate, Re-Energize

Back by popular demand! Ladies, here is your opportunity for a full day of pampering, relaxing, and of course having fun with the girls. This year's spouse/guest program will be the perfect way to follow-up the busy holiday season. The pampering will take place at the hotel so you can conveniently come dressed in your most comfy sweats. Sundra and her team from Sundra's Therapeutic Massage have created a customized package especially for this program. You will have the opportunity to enjoy the following:

- 30 Minute Full Body Massages
- 30 Minute Facials
- Healthy Hands - Paraffin wax hand treatment followed by a relaxing hand massage
- Pampered Feet - A relaxing foot treatment followed by a rejuvenating foot massage

To enhance this experience even more, the room will be stocked with lots of "goodies" and refreshments to enjoy throughout the day.

Shop Till You Drop OR Place Your Bets

On Friday, you will have access to some of the best shopping this region has to offer at the Legends Outlets in Kansas City OR you can place your bets at the newly opened Hollywood Casino at the Kansas Speedway. Transportation will be arranged to and from the hotel. You are of course welcomed to join us for the Sportsman's Breakfast prior to leaving as I am sure you will not want to miss the featured speaker, NASCAR racer Jennifer Jo Cobb. After breakfast, transportation will be available to get this fun filled day started. The shopping area and casino are located in the same area so you can choose to do both or either one.

KAPA-KRMCA wants to ensure that you have an enjoyable program. Please feel free to contact us with any ideas, suggestions and/or questions at (785) 235-1188 or aschuster@kapa-krmca.org.
