2021 Municipal Concrete Awards Program

July 15, 2021

Dear Municipal Official or Designer:

Do you have an exciting or unique concrete project that deserves recognition? If so, we strongly encourage you to enter our 2021 Municipal Concrete Awards Program. This program is designed to recognize and encourage outstanding work in municipal concrete construction within the State of Kansas.

If selected as a winner, your city, designer and/or engineer will be invited to attend and receive recognition during our 55th Annual Convention on Thursday, January 13th, 2022 at the Olathe Convention Center, Olathe, Kansas.

We have enclosed an entry form and rules for the 2021 program. Please take a moment to read the rules and qualifications. You may also find the information on our website at: www.kapa-krmca.org

Thank you for your use of concrete as the building material of choice on your municipal infrastructure projects.

Jerry Younger, P.E.            John Pendry
Managing Director             Program Director
Kansas Ready Mixed Concrete Association’s
2021 Municipal Concrete Awards Program

The Promotion and Marketing Committee of the Kansas Ready Mixed Concrete Association (KRMCA), is pleased to announce the annual Municipal Concrete Awards Program. The purpose of this event is to recognize and encourage outstanding work in municipal concrete construction within the State of Kansas.

Submittals are invited in three categories:

- Municipal Concrete in a Class I Municipality (Population less than 10,000)
- Municipal concrete in a Class II Municipality (Population of 10,000 to 50,000)
- Municipal concrete in a Class III Municipality (Population of 50,000 and up)

The KRMCA Promotion and Marketing Committee will choose one winning project in each category. All judging will be based on the materials submitted in the entry.

_**Awards will be based on:**_
- Quality of construction by contractor
- Aesthetic appeal
- Creativity gained by departing from asphalt paving
- Unique application or end use

The award for each category will consist of a plaque presented to the municipality of the winning project. Any person, private firm or public agency may submit an entry. The projects must be located within the State of Kansas. **Projects must have been completed between the dates of September 1, 2019 to September 1, 2021.** You may not enter the same project twice.

Entries shall consist of: 1) A completed Entry Form 2) A written description of the project 3) A maximum of 10 digital pictures of the project on a disk or emailed with a brief description of each picture.

**ENTRY DEADLINE IS OCTOBER 31, 2021.** Winners will be recognized with their awards at our Annual Convention on January 13, 2022, at the Embassy Suites KC-Olathe/Olathe Conference Center, Olathe, Kansas. Winners will receive notification and more details regarding the Awards Program mid-December. Entries and questions concerning the awards program may be directed to:

John Pendry, Program Director  
Midwest Concrete Materials  
3645 E. 23rd Street  
Lawrence, KS  66046  
P: (785) 843-1688  E: john.pendry@midwestconretematerials.com

**FOR MORE INFORMATION, VISIT:** [www.kapa-krmca.org](http://www.kapa-krmca.org)

**PLEASE NOTE:** Any nominations submitted to this will be automatically entered into the annual ACI Concrete Construction Awards Program.
