

Insulated Concrete Form (ICF) Construction

Presented by:

Wednesday, April 19, 2023

Cornejo & Sons CMC - Training Room
2110 Industrial St., Wichita, KS 67216

Thursday, April 20, 2023

Douglas County Public Works
3755 E. 25th St., Lawrence, KS 66046

Join the Kansas Aggregate Producers Association – Kansas Ready Mixed Concrete Association for our April Concrete Forum educational series. Our industry expert will provide general information on utilizing ICF designs and technology for building construction.

10:00 am	Welcome & Opening Remarks – Jerry Younger, KAPA-KRMCA
10:15 am	Insulated Concrete Form (ICF) Construction Kelvin Doerr, P.E. Engineering & Technical Services Advisor Fox Blocks <i>Mr. Doerr will present an overview of the history of ICF construction and how the design and technology in today's ICF's provide a high quality, resilient option that warrants consideration for many building projects. Details will be provided regarding the installation specifications and techniques that assures the ICF design will perform as expected. Hands-on time with actual ICF's will be available as well as the opportunity to view a constructed ICF building.</i>
11:45 am	Lunch
12:15 pm	Continuation of Presentation
1:30 pm	Q&A/Discussion

2:00 pm

Adjourn
