## Questions -

Kristin, [kbkelly@ku.edu](mailto:kbkelly@ku.edu)  
(785) 864-259

This training is presented through the Kansas Local Technical Assistance Program (LTAP) and the KU Transportation Center. Funding provided by the Kansas Department of Transportation and the Federal Highway Administration.

## About the workshop

This course presents the practices of designing, constructing, and rehabilitating concrete pavements and is designed for maintenance crews, foremen and supervisors who have responsibility for providing maintenance on concrete pavements. This also includes county and city engineers, road supervisors, technicians, road and crew members, township trustees, and tribal officials.

**Agenda/Topics:** Fundamentals of Concrete, Component Materials of Concrete, Proportioning Concrete Basics and Pre-Placement Conferences, Batching, Mixing and Delivery, Handling, Placing, Finishing and Curing Concrete, Basic Concrete Troubleshooting, Repair Analysis: Making Long Lasting Concrete for the Right Price

8:15 – 8:25 am Registration

8:30 – 11:45 Morning Sessions

11:45 – 12:45 pm Lunch (provided)

12:45 – 3:15 pm Afternoon Sessions

## Registration

The registration fee is \$75 and includes lunch, breaks, and materials. To register, complete the registration form, attach the required fee (payable to the KU Transportation Center). You may mail in your registration to 1536 West 15th St, M2SEC, G520, Lawrence, KS 66045, fax your registration to 785-864-3199, attention: Kristin, or register online at [www.ksltap.org](http://www.ksltap.org) - go to the training calendar.

Assistance for Participants with Disabilities/Special Dietary Requirements. The KU Transportation Center is committed to accommodating persons with disabilities and those with special dietary needs. Please call our office for assistance.

The University of Kansas prohibits discrimination on the basis of race, color, ethnicity, religion, sex, national origin, age, ancestry, disability, status as a veteran, sexual orientation, marital status, parental status, gender identity, gender expression and genetic information in the University's programs and activities. Campus Road, Room 153A, Lawrence, KS 66045, (785) 864-6414, 711 TTY.

## Kansas Roads Scholar Program

The Kansas Roads Scholar Program is a training and recognition program for county and city staff, promoting a skilled workforce for Kansas public works agencies through training. This course is one of ten that leads to a Roads Scholar Level I Technical Skills Certificate, recognizing your completion of the program.

A one-time application fee of \$35 (see registration form) will enroll you in the Roads Scholar Technical Skills Program, and your participation in this class will be counted towards completion. More complete program information can be found online at [www.ksroadscholar.org](http://www.ksroadscholar.org).
