

KDOT Concrete Materials & Specifications Update plus Meeting KDOT Concrete Permeability Requirements

Presented by: KAPA-KRMCA Concrete Forums

Wednesday, October 25, 2017

Douglas County Public Works
3755 E. 25th St., Lawrence, KS 66046

Thursday, October 26, 2017

Butler Community College-Andover Campus
715 E. 13th St., Andover, KS 67002

Join the Kansas Aggregate Producers Association – Kansas Ready Mixed Concrete Association for a current and forward-looking review of KDOT materials and specifications essential to the production and performance of concrete. David Meggers, P.E., KDOT Assistant Bureau Chief of Research, will lead the program. The program will also feature David M. Suchorski, P.E., Ash Grove Cement Company, speaking on considerations for meeting KDOT's concrete permeability requirements.

9:30 am **Registration**

10:00 am **Opening Remarks**

10:10 am **KDOT Concrete Materials & Specification Update:** David Meggers, P.E., Assistant Bureau Chief of Research, will present information vital to engineers, designers, and specifiers of concrete; as well as ready mixed concrete producers and contractors.

11:10 am **Sustainable Benefits of Concrete Construction:** Increasingly, sustainability considerations are part of material selection. Hear about the benefits of using concrete in horizontal construction applications. Speaker TBD.

11:30 am **Lunch**

12:00 pm **Tips & Tactics for Meeting Concrete Permeability Requirements:** From extensive laboratory testing through to field trials and experience, learn how to economically and effectively meet KDOT's requirements for permeability and density. Dave Suchorski, P.E., Ash Grove Cement Technical Services Engineer, will present.

1:00 pm **Discussion/Q & A**

1:30 pm **Adjourn**

Please Register the Following People for the KAPA-KRMCA Concrete Forum on
KDOT Concrete Materials & Specifications Update plus
Meeting KDOT Concrete Permeability Requirements

Name:	Company:	Email Address:	10/25 (Lawrence)	10/26 (Andover)

Each attendee will receive the following:

- *Portland Cement Association Design & Control of Concrete Mixtures Manual*
 - *Certificate for 3.0 CEC/PDH*

Registration Details:

There is NO cost to Attend – But you must Register
Registration Includes Lunch & Materials

Registration Deadline: Friday, October 20, 2017
